

## Sevier County ARES Net Script 2018-March 1,2018

Calling the Sevier County Amateur Radio Emergency Service Net ,

Read before you do the net to be familiar with ,

This is ( give your name, and call sign) I am your Net Control Station for tonight's net,

When calling into tonight's net give your name and call in phonetics, this is a directed net, all traffic should go through net control.

This net meets every Thursday night at 6:30 pm , here on the 146.940 repeater, if this repeater is down we will switch to our back up repeater Of 146.850, both with a tone of 118.8 if required. There is no net on the 4<sup>th</sup> Thursday of each month , as that is our meeting night..

The purpose of this net is to show readiness for emergency communications, poll our members, and advise of any ARES events, traffic , or amateur radio events.

We will handle any emergency traffic at this time. Please call now with Emergency traffic only.

Is there any traffic for the NTS..

ID at this time

Sevier County ARES members, please check in and inform the NCS if you are using your emergency or commercial power for this session, with your call and location.

( We will appoint a Chaplin, and at this time he will do the invocation )

At this time I will call for Sevier County ARES members. After we call our SCARES members will take check in's from all amateur radio operators, all amateur radio operators are welcome to check in after member check in ..

(At this point call our members on the member list, if a station called doesn't respond after a pause, call the next station, ask if they have any announcements or traffic for the net ) take them when they check in ) Remember to ID every 10 minutes ..

After doing the role call of members ask if there is any late Sevier County ARES members, or further business for the net, from our members..

If no further members check in advise the we will take check in's from any amateur radio station, all amateur radio operators are welcome to check in to the Sevier County ARES net..

Ask for the count members and non members separated totals, example 14 /9 , 14 members and 9 non members and give to the HF liaison to report on Monday on 3.980

Sevier County ARES holds our meeting on the 4<sup>th</sup> Thursday of the month, at the King Family Library at 408 High St, across from the Sevierville Police Department, at 6:00 pm EST, all amateur radio operators are welcome to attend our meetings, we have a open door policy, we welcome all licensed operators.

Please feel free to check out our website at, <http://sevierares.org/>, repeat the website..

Also our Facebook page , Sevier County Tennessee ARES Group..

If there is no further business for the net we will close the net, (ask again for check in's ) then close the net,

( I would like to thank all of our members who checked in , and all amateur radio operators who also checked into tonight's net, and supporting the Sevier County ARES, A special thanks to Tim Berry for the use of the 146.940 repeater.

Close with your call, name, and God Bless The USA

At this point, give your call sign and say clear, returning the repeater back to normal amateur use..

.
